

Annual Marion's Garden Community-Wide Yard Sale

Saturday, May 12th (8:00AM-1:00PM)

Just in time for Spring Cleaning Fever – If you are interested in hosting a yard sale, this might be the time to consider it. This event will be advertised on behalf of the MG community via: Daily Capital Journal, Reminder, Community Calendar. There will also be banner signs placed at the highway entrance, Port Charlotte Avenue and midway down Skerrols Street to direct folks to both Caol Ila Court and Islay Avenue.

The idea is, if you wish to participate in the event, that even though you will be hosting your own individual sale; by scheduling sales to occur simultaneously and advertising it as “Marion's Garden Community Wide Yard Sale” we should draw a good number of buyers and individuals would not necessarily have to place ads. If you choose to place individual ads, signs or items to draw attention to your sale such as balloons, please remember to keep the neighborhood beautiful by removing the items as soon as your sale has ended. If you do not intend to host a yard sale, please be aware of the increase in traffic that will occur in the area on sale day. Even though sale hours will be communicated as 8AM-1:00PM feel free to set your own sale hours to fit your needs.
