**SUPPORT CHRIS MAXWELL
BENEFIT FUNDRAISER
7PM • FRIDAY, JUNE 14, 2019
DRIFTERS BAR & GRILLE
FORT PIERRE, SD**

SILENT AUCTION • LIVE AUCTION • ENTERTAINMENT

ONWARD.

Chris Maxwell is a loving husband to Molly (Weisgram) and father to Ben, Samuel, Issac, and Hannah. He is the owner of Maxwell Strategies and an active participant in the Pierre & Fort Pierre community. Anyone who knows Chris, knows his genuine passion, enthusiasm, and dedication to his family, friends, and community. If an obstacle stands in his way, he finds a solution—no matter how great the challenge.

In mid-February, Chris was diagnosed with Guillain-Barré Syndrome (GBS). GBS is a rare autoimmune disorder that occurs randomly, typically in reaction to a common virus. It affects his nerves and causes progressive paralysis. He requires a ventilator to breathe and tube feeds to eat. Chris was hospitalized at Avera McKennan in Sioux Falls, SD for 6 weeks and then transferred to the Madonna Rehabilitation Hospital in Lincoln, NE. At this rehab facility, he will work to retrain his body to do everything from blink his eyes to walk his feet.

While his body is being temporarily affected, his mind remains sharp and fully intact—and the prognosis for recovery is good.

Medical, health, and travel expenses are sure to be very burdensome for this family. Please, kindly consider a donation to support the Maxwell's during this difficult time.
